TOP 10 REASONS TO BE TVQMA MEMBER!

10. You don't really *need* a toy hauler or trailer to start
9. Ongoing driver training and education at no additional cost.
8. LOTS of support from fellow members, as well as advice (sometimes whether you want it or not...)
7. Access to our **Members Only** FB page & similar sites filled with information and all the car parts you could ever wish for!
6. The **JOY** of being a Novice for your first year: No points + No tire requirements = No stress (*depending on who you ask!*)
5. Race as much or as little as you want at all the QM clubs (unless your corporate sponsor contract dictates otherwise)
4. Participation in off-site events: Exhibition races at Good Guys Show, Alameda County Fair (with the Monster Trucks), Our summertime "Lapathon" for all families, and Holiday parades!
3. The backing of POWRi Racing (our sanctioning body) and now Speedhive.com with our Live-Timing for all races!
If it's your first time hearing of these organizations, you're not alone—you'll be speaking the racing lingo in no time at all!
2. The kids are competitors on the track, yet they all **are a great group of friends**, of all ages.
1. A **SAFE, FUN, family-oriented** environment in which amazing **life-long friendships** develop for both kids and adults.
